

WEBINAR LECTURERS

Alexandros TOUTOUNTZIS

Marine Management Systems
Senior Specialist
Lloyd's Register

Started his career in June 2000, as a seagoing Engineer Officer on board bulk carriers and tankers. In time, following further BSc and MSc studies, he decided to work on land and progressed to become a Senior Surveyor / Auditor at a leading IACS class society and later a Ship Manager in a major management Company.

In 2017 he returned to Greece where he now holds the position of a Senior Auditor at LR Marine Management Systems, being responsible for office & shipboard audits, as well as for executing tailor made training courses to customers.

Dimitrios SIMAKIS

HSES Manager
for South Europe area
Lloyd's Register

Joined LR in 2005, as a marine management systems specialist, carrying out ISM/ ISPS/ MLC audits on board vessels/ companies and delivering marine training courses, in 2010 took the position of HSES manager for SE Europe area and later on for South Europe.
